HELP ME HOME

Lyrics & Music by Colin McCrow

```
C        Cmaj7/G  Fmaj7                 G
As I was walking    through the streets one day,
C           Cmaj7/G       Fmaj7       G
Some people passed me on a cart full of hay,
C        Cmaj7/G      Fmaj7              G
I smiled at them as they slowly passed me by,
C        Cmaj7/G  Fmaj7           G
Please Oh Lord,     please help me try;
```

Chorus

```
C                 Cmaj7/G  Fmaj7              G
Find my way back home, I've tried so hard my Lord,
C        Cmaj7/G  Fmaj7           G
Please help me       with Your holy word,
C              Cmaj7/G  Fmaj7       G       C    Cmaj7/G C
Find my way back home,  Please help me out my Lord.
```

```
C           Cmaj7/G  Fmaj7                G
Tried so many times to get it through my head,
C           Cmaj7/G  Fmaj7            G
How You died for me,    how I won't be dead,
C        Cmaj7/G  Fmaj7           G
Heaven is near,    I know this yes I do,
C        Cmaj7/G  Fmaj7                G
With Your help    I know that I'll get through.
```

Chorus 2

```
C           Cmaj7/G    Fmaj7              G
To my home up there,  I've tried so hard my Lord,
C         Cmaj7/G  Fmaj7               G
You've helped me    through with Your word,
C           Cmaj7/G  Fmaj7           G       C    Cmaj7/G C
To my home up there,      You've helped me out my Lord.
