

# THOUGHTS AT THE CROSS

Lyrics & Music by Colin McCrow

**Intro Riff: D G+9/D Bm7/D(no5) D Dsus2 D Dmaj7(5) Em7/D(3) D Dsus2**

D Dmaj7(5) Em7/D(3) D  
Jesus, You are in pain; Why are You there on that cross?  
D Dmaj7(5) Em7/D(3) D  
And Jesus I just can't understand, Why someone like You should be lost.  
G D G D  
Can't you see me here crying my heart out, My son won't you listen to me?  
Dmaj7(5) Em7/D(3) D  
Just call on heavenly angels, And set yourself free.

D Dmaj7(5) Em7/D(3) D  
I thought You where the man; To lead us out of this terror,  
D Dmaj7(5) Em7/D(3) D  
You didn't even make one stand, Show me where I made the error.  
G D G D  
Can't you see this man you called beloved, Who doesn't know where to go?  
Dmaj7(5) Em7/D(3) D  
Just give me some guidance, Cause Lord I want to know.

*To intro riff*

D Dmaj7(5) Em7/D(3) D  
Well Jesus I thought of these things; And these people at the cross,  
D Dmaj7(5) Em7/D(3) D  
And Jesus show me where to go, Show me how I won't be lost.  
G D G D  
Can't you see me here in this sinful world, Needing You and Your holy word,  
Dmaj7(5) Em7/D(3) D  
Then Jesus please come to me, Take me to Your new world.

**End Riff: D G+9/D Bm7/D(no5) D Dsus2 D Dmaj7(5) Em7/D(3) D Dsus2 D**
