

SILLY OLD MAN (CAIAPHAS)

Lyrics & Music by Colin McCrow

C Dm F C Em7 Am D G
He is old, thinks he's wise, Yet he never sees, he's got blind eyes,
C Dm F C Em7 Am D G
He can't see the masters love, Will he ever get to heaven above?

Chorus

C Dm Em7 G G7 C Dm Em F G C
You're a silly old man, God loves you! You're a silly old man, Ca - i - a- phas.

C Dm F C Em7 Am D G
Silly man, can't you see, That He died for you upon a tree,
C Dm F C Em7 Am D G
You put Him there on that cross, Yet to you , He wasn't a loss.

C Dm F C Em7 Am D G
Now your life is soon gone, Don't you ever want to right the wrong?
C Dm F C Em7 Am D G
Can't you do something good? Tell the people now in the way you should.
