*Lyrics & Music by Colin McCrow*

G(add5)            C(add9)/E            G(add5)            Em  
What should I do I asked the Lord, What should I do today ?  
Am7                    D                    Am7                    D  
What should I do I asked the Lord ? Hear me when I pray.

## *Chorus*

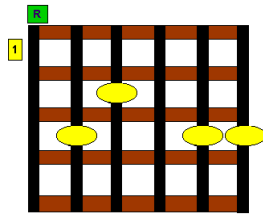

D7                    Am7            G            D            G  
And He said, Go and tell everyone, Everyone's in need,  
D7    Am7            G    D            G  
You should; Go and tell everyone, Was my Masters plea.

G(add5)            C(add9)/E            G(add5)            Em  
What can I do to help them, What can I do today ?  
Am7                    D                    Am7                    D  
What can I do to help them ? Hear me when I pray.

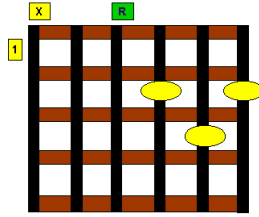

G(add5)            C(add9)/E            G(add5)            Em  
What can I do to save them ? I need Your help now;  
Am7                    D                    Am7                    D  
Will they get to Heaven ? If I tell them now?
