

WITNESS

Lyrics & Music by Colin McCrow

A E A D A
Share the love of Jesus, Share it with everyone,
E A Bm E
In every town and city, Until the Lord is come.

A E A D A
Witness to every nation, People of every land,
E A Bm E
Tell of our Jesus love, Tell them of His plan.

A E A D A
Use every tongue and symbol, To tell of Jesus love,
E A Bm E
Give them peace and joy, That only comes from above.

A E A D A
No need to be afraid, Jesus is very near,
E A Bm E
He will help everyone, God's name you must fear.
