

## SHOWIN' HIS LOVE

*Lyrics & Music by Colin McCrow*

A D E A E A  
Living for Jesus for eternity, That's what I want, what I should be,  
D E A E A  
I'm living with Him for evermore, Safe on that bright eternal shore.

### *Chorus*

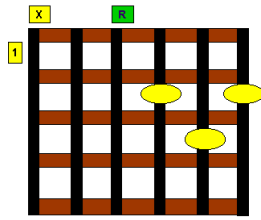

D E A Bm E A  
His love for me, He died on Calvary, He's commin' to take us away,  
D E A Bm Dm E A  
He loves you too, and He'll show you how, He's commin' to take us away.

A D E A E A  
He died to save our sins, He gave me joy and peace within,  
D E A E A  
He's commin' again this I know, Tell of His love and I will show;

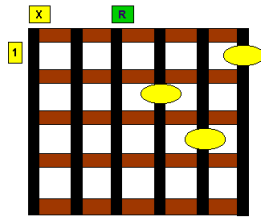

A D E A E A  
Now that He saved me from my sin, Now I've got joy and peace within,  
D E A E A  
He's commin' again this I know, His love for me and I will show;
